

COACHES COMMENTS

It was early September when Andy, Martin and myself sat down with the team and asked them what their GOAL was for the season, every player said what we wanted to hear TO MAKE THE PLAY OFFS, and I am pleased to say with a lot of hard work and some bloody good football we have got there and to draw the best team in the land Auckland City what a challenge for everyone in Canterbury Football this is.

Our 2 league games both went down to the wire with us taking a point in Auckland, and them taking 3 in Canterbury and I believe our next 2 encounters will be just as tight and exciting.

Paul Possa has assembled a very talented squad and it has been no surprise to see them unbeaten so far this season well done to Paul and your team.

The week has been a busy one for the boys both on and off the field the news of 5 Canterbury United players being named in the NZFC team of the month shows how well they have been performing and also how much fellow players respect them well done Tom Batty, Gareth Rowe, Matt Boyd, Aaron Clapham and Tommy Lancaster you deserve it.

Monday night was awards night for Canterbury United and after such an outstanding year by all the players it was a difficult one to call but I am pleased to say Aaron Clapham was named player of the year an award he thoroughly deserves after turning it on week after week.

I will sign off now by thanking you the fans for making this year so special for us all with your great support lets here it one more time today YOU CAN ALL MAKE IT HAPPEN FOR US KEEP CHEERING US ON. See you in the clubrooms after the game Keith.
